Minutes of January 13th 2025 Meeting - attached

Moved by Wiebe Hoogland, seconded by Kathy Morrison; Approved

Business Arising:

The 1500 point limit for the August Tournament was addressed. Although Claude had tried to get that limit increased, the appeal was denied and it remains a 750 point limit.

Minutes from the April 5th Annual General meeting – attached

Sheila moved to approve the minutes of the April 5th meeting, Claude seconded. Approved.

Treasurer's Financial Report – attached

Kathy stated that the \$3331 loss should be made up after the November Regional. The term deposit that came due generated \$316 interest which was reinvested. The Vince Oddy order for convention cards was a significant expense. Kathy moved to accept the Treasurer's Report; Brian Seconded. Approved.

Tournament Co-Ordinator's Report – Claude Trembley

No new information since the AGM report provided in April.

The August Budget remains the same. Brian stated that people who need silver points are more likely to attend these tournaments. Brian and Dena will organize the equipment needed for the August Tournament. Claude is a reviewer for the Master Point Press; he receives a number of bridge books

which he is donating to the Unit as prizes for the August tournament. Jacqueline Morrison will continue to be a sponsor for this Tournament.

Brian has volunteered to run the 2026 August Tournament.

Kathy and Claude will look at the Regional Budget. Kathy has a team in place for the November Tournament.

Membership Chair – Wiebe Hoogland

Our unit has 276 members. Membership is only down 3 from a year ago. There were 281 members at the beginning of the year, but we had 2 new members join us. Sheila suggested contacting Brock Business College for help to increase our membership. Sheila has since acquired and given the contact information to Brian Jones.

Education Chair – Ginger Grant

There is a new ACBL Sapphire Program for beginning players. Sapphires are tokens that players receive for taking part in classes, club games and other activities for those new to the game.

We can write articles for CARP – Ginger to follow-up

Possible courses available in the fall:

- Play of the Hand series of lessons
- How to complete the Convention Card
- Advanced Defense Classes for players with more than 300

It was noted that the uptake from the Learn Bridge in a Day was 70% into Beginner Courses at the Bridge Centre of Niagara.

Brian will contact Patty Tucker to secure the license for Learn Bridge in a Day to offer to other parts of our community.

District 2 Report – Wiebe Hoogland

District 2 has a new policy manual available on the D2 Website.

District 2 looks after 3 games: NAP, GNT and STAC

Players will need to qualify in order to participate in the NAP games held in November online. It will be a one day event. Our club should encourage people to participate.

Unit 255 Tournament Schedule

In general, U255 will hold a Sectional in February (Open) at the Holiday Inn in St Catharines, June (750), August (750) and November (Open) at NOTL. We hold all our Regional in November and Sectional in February at the Holiday Inn in St Catharines. We have all our tournament sanctions approved up to 2031 inclusive except for our Regional in 2031.

We now have in place a contract with the Holiday Inn that covers all our Regionals until 2028 (incl) and our Sectionals until 2028. We were able to negotiate a much better deal for our Sectionals compared to our previous years and we now have a great room (Brock) to hold our hospitality.

Tournament Changes

We have decided to **cancel the May/June tournament** due to declining attendance. Additionally, moving forward, we will **no longer use local directors for our tournaments**, except for the August tournaments, which will continue to be run by local directors. As a result, our **Sectionals will likely operate at a loss**. Even at our most recent February tournament—where we used local directors—we made only **\$425 in profit**, primarily due to **\$2,500 in sponsorships**.

On a positive note, our **Member's Benefit Program** has been well received and highly successful. I recommend **continuing this program exclusively for our Sectionals**. Based on the numbers, implementing it for the **six-day Regional** could generate well over **\$1,500 in Member's Benefits**, but I believe keeping the program **focused on our Sectionals** will encourage stronger member participation and support for the Unit.

Tournament Updates

We plan to use Local Directors to as many of our tournaments since we know that there are significant cost savings. This year we will use local directors for our Open Sectional in February. The August tournament is run by local directors. It should be noted that none of our tournaments are **downgraded**. I have boosted up to 1500 masterpoints for the August tournament to improve the attendance.

The Director in Charge (DIC) **will not allow** local directors to replace ACBL director at the Regional.

Budget Changes

The storage space for our equipment will be renewed on January 22, 2025 and the total cost for 2025 will be \$2,706.68.

I wanted to share a few key updates with you:

- **November Sectional:** I've included the financial results of this Open Sectional. The Chair, Cathy Williams will present her detailed report.
- **Member's Benefit Program:** The member benefit for our tournaments has been very well received. Since the program's inception, it has been used 481 times for a grand total of \$1,205. This program will continue for a full 12 months until March 2025.
- **Niagara Bucks:** Players redeemed \$499 worth of Niagara Bucks in November, which is a positive sign. It shows that the Bucks are appreciated and more useful to members compared to other prize options.
- **Sponsor Support:** The financial success of the November tournament would not have been possible without the support of our key sponsor, Jackie Morrison. Her contribution made a significant difference.
- **Director Course Follow-up:** From the eight new potential directors, seven of them reported that they wrote and passed the Director's exam. At this time, only Cathy Williams has taken an active director role at BCON. From the four directors who were taken a refresher, Donna Williams will start directing at NOTL. As a result of Chandi Jayawardena retiring from directing, Selina Volpatti will return directing at NOTL on Fridays.
- **Upcoming Sectional:** For the February Sectional we'll provide the members with a \$3 benefit and a \$7 Niagara Bucks as prize.
- **Regional Pricing:** For information only, the Toronto Regional charges \$22 per session.

Unit 255 Membership Report

January 2025

Membership numbers as of December 31, 2024 is 281 a decline from my October report of 290 persons. Four members transferred out of our Unit and five members have had their status placed into an inactive state. I am in the process of phoning these members and speaking to them as I know from one member, the postal strike in December of last year has created some challenges with receiving the information. I did note this to ACBL in earlier communication.

It should be no surprise that with this decline our Unit is reporting low numbers when compared to other units in the District or across ACBL as defined in the QUIP report of December. Specifically we rank 7th out of 9 units within D2 regarding membership trend over the past 12 months, though we are in line with the overall trend of ACBL. We also lag others when it comes to new memberships gained. And our average age of members at 74.41 is higher than the overall D2 number.

I attach a copy of this QUIP report for reference, though it does not prompt any other actions I am taking in my relations with the clubs in the Unit aside from speaking to the members about ACBL when given the opportunity.

Learn Bridge in a Day - BCON

There was also a 1 day course for Bridge that occurred on Saturday January 11, 2025. Again, no particulars at this time as to how many people attended. The course was jointly led by Ginger Grant and Brian Jones.

Mentoring Lessons Monday evening 0-20 Game - BCON

Steve Williams is doing some mentoring lessons for the 0-20 group game on Monday evenings. Mentoring starts at 5:30 p.m. for anyone interested. We are just reviewing basic bridge concepts.

Upcoming Courses

Chandi decided to focus his attention on other matters in 2025, so he will not be teaching any courses at this time.

That is all for this report.

Minutes of Unit 255 Board Meeting

January 13, 2025.

Present: Tim Butt, Brian Jones, Wiebe Hoogland, Sheila Langstaff, Kathy Morrison, Claude Tremblay, Muriel Tremblay, Steve Williams

Guest: Cathy Williams

Regrets: Lynn Hale

Meeting was called to order by Muriel at 4:30 pm.

Muriel introduced and welcomed three new members to the Board of Directors: Lynn Hale, Wiebe Hoogland, Sheila Langstaff.

Minutes of October 9, 2024 moved by Wiebe Hoogland, seconded by Kathy Morrison; Approved

Business Arising:

Claude explained that ACBL will not allow local directors to replace ACBL directors in Regional Tournaments. Directors must have ACBL directing qualifications to do this job.

Sponsors for Tournaments: We have one sponsor, and Claude will chase the second.

Audits – Richard Fuller will be asked to do the review of the books.

Education expense – since Chandi is not going to be teaching the Defence course, we did not purchase the student books.

There were four positions available for new directors – one was the result of an early resignation. There are two years left on this term. Muriel to talk to Lynn and Wiebe to see who wants to accept a two year term.

Treasurer's Report - attached

Kathy presented the 2024 Financial Report. We had a slight loss of \$209 in 2024. Wiebe questioned the amount spent on Education. Kathy informed him that the bulk of the expense was due to training provided to 8 members to become new directors and 4 directors who attended for refresh on the ACBL Laws and rulings.

Kathy moved to accept the Treasurer's Report. Claude Seconded. Approved.

Budget - attached

Muriel reviewed the draft budget that was prepared at our last meeting, clarifying each line item with the director, who holds the responsibility. STAC income was increased to \$250; Brian to inform us if BCON decides to run the STAC in October. The Regional income was reduced to \$13,000 due to the increase in exchange rate to 44% that ACBL expenses incur. The auditor

expense was set at \$300; Kathy to confirm with the new auditor. Expendable supplies was reduced to \$1000 by Claude. Brian requested that the budget for BCON club support be increased to \$3000 to allow for additional requests during the year. Pianola was increased to \$1000 to allow for more advertising for the fall Regional. Muriel presented a plan for the AGM. The expense for \$2200 was approved. Bottom line: based on running a successful Regional tournament, the Unit should have a profit of \$7150.

Tournament Coordinator Report - attached

Claude reported that all Tournaments are still making money. The June Tournament was cancelled because of decreased attendance. August Tournament will have a 1500-point limit to include more players. Member Benefits were well received at Tournaments as well as the Niagara Buck prizes. Jackie Morrison is happy that her sponsorship of our tournaments is paying off in new business. The table fee for our Regional to remain at \$20.

Directors Course: 7 out of 8 participants have passed their test. Cathy Williams is the only person directing regularly so far.

November Tournament: Cathy Williams reported 152 tables and a profit of \$2763. Cathy has a team in place for the February tournament. Sponsorship for this tournament is still a work in progress.

Membership Report - attached

Brian reported that membership stood at 281 at the end of 2024. That is down 20 from October 2024. Brian and Wiebe to contact inactive members to encourage them to renew their ACBL membership.

Education - attached

Steve reported that 17 people attended the learn to play Bridge in a day course. A mentoring session is to start on Saturday afternoons.

District 2 Report

Wiebe reported that he is the District 2 President and Muriel is the Vice President. There have been some changes to bylaws and Wiebe needs to update the Policy Manual. They need to find a new auditor. In general, Regional tournaments within the District have not been successful due to low attendance and the venue costs. There may be an opening for Unit 255 to get an annual Regional.
