

# Unit 255 Membership Report

## November 2023

Membership numbers in October were 285, down from September at 299. Three members moved out of the Unit, but this was offset by 3 members moving into the unit, 3 reinstated members and 1 new member joining (Lucy Guay).

I received no other information from ACBL in the month. I am not certain if we participated in the monthly ACBL call mentioned by Wiebe in his last report.
