Many experts have been using the Two Over One (2/1) bidding system for a many years. Based on Standard American, the 2/1 system addresses its main weakness to produce more efficient (and clearer) game and slam auctions.

Today, 2/1 is no longer reserved for the experts. Players of all skill levels can learn this approach and see the improvement in their overall duplicate results. More than 75% of tournament bridge players use 2/1. Now it's your turn.

Bottom line is improved results through better bidding.
